*Turn over the page to design your own display of objects.*

Draw your own display of objects in the room below. They could sit on a shelf, in the corner, or hang from the ceiling. Think about the everyday objects and materials you want to use and shapes, colours and textures you want to create. They can be as simple or complex as you like. Are your objects heavy or light? Do they move? Can people touch them? Think about the space between objects as you design your display.

**Each week the Gallery will pick completed drawings to appear on our Facebook page. If you'd like to participate, this sheet must be signed by a guardian/parent and handed to a Gallery Information Assistant.**
