

Activity Sheet Change Your Setting

Sara Barker: CHANGE-THE-SETTING 12 March – 5 June 2016

The exhibition contains sculptures made from materials including paint, steel, aluminium, brass and perspex. Move around all the sculptures and view them from different angles. Look for interesting layers, shadows and reflections, and how the shapes change.

Choose your favourite sculpture and sketch it from two different angles in the boxes below. Can you recognise it as the same sculpture?
